

Equipment Checklist For Local Diving

5/19/2004 0:00

Generally, our local dives require that you bring all of your own equipment! Come prepared for the day by using this checklist for packing before departure. Many of the Charter Boats provide tanks (not the "Beach Hopper").

Students are responsible for bringing & returning their own rental equipment. Rental Equipment must be rinsed clean of sand/ salt before returning the day after diving. \$5 charge for uncleaned equipment

Things to-Do

- Reserve motel: Check our websie for suggestions. Reserve early!
- Rent Equipment: pick up Thursday or Friday
- Fill Scuba Tanks (if already used)

Equipment Checklist

- | | |
|--|--|
| <input type="checkbox"/> 1 Full Tank (2 if Instructor requests it) | <input type="checkbox"/> Regulator w/ Octopus & LP Inflator |

Where to Meet

Your Instructor will advise you. We normally meet at the "Breakwater", "McAbee Beach" or "Lovers Point". Don't Forget map!

When to Meet

Your instructor will advise you. Regular time is 8 am at dive site.

Weather/ Cancellation Policy

Dives are rarely cancelled & is based upon safety in surf/ swell conditions. Sometimes we can't make a logical call, until we've seen the ocean. Alternative dive sites are available as well.

Your Instructor will call if it's cancelled, so be sure you provide him with contact information for an after-hours call. You may also check with the Dive Center the day before in questionable circumstances.
